QUESTIONNAIRE

We would like to ask you to take some time, answer the questions at the bottom and send it together or after your registration for the IFM-Camp 2016.

The idea is to make international villages. We think it is a great opportunity to get to know each other and to have an unforgettable time together. But we know that the we are different too.

We have different camp experiences, ways of problem solving and in some points different values.

Of course this shouldn't be an obstacle for living together. Rather, it is an interesting experience but maybe there are points which are unacceptable for you. We have the ambition that everyone has a great camp experience and feels happy.

For this this reason we would like to know your organisation better, especially in matters that might lead to misunderstandings or even conflicts.

If you have other points which are important for you feel free to add.

When you filled in the form, please send it back to Nathalie. She will collect your data and if another Falcon branch matches your interests, she will get you in contact with them.

If you don't want to wait for things to happen you can find some profiles from other Falcon branches in our [Dropbox](#).

When you need more contact details, free feel to ask

Christine for contacts to internationals - contact@ifm-sei.org

or Nathalie for contacts to german Falcons - nathalie.loewe@sjd-die-falken.de

Happy Matchmaking!
